LB 254A

PRESIDENT MOUL: Thank you, Senator Bernard-Stevens. Senator Wehrbein.

SENATOR WEHRBEIN: Yes, Madam President and members, I just want to throw in one word. I didn't say anything on 254. I didn't support it although I didn't vote against it actually either, but I am concerned about where this trend may be leading us. In other words, the policy we're setting here is...does open the door I think in time for more requests for more seminars on more very valid issues. Even though this seems to be a very important issue, I recognize the need for it, I predict that we will have other requests in overdue time to simply provide additional seminars and education on such vital subjects, all at the expense of working time.

PRESIDENT MOUL: Thank you, Senator Wehrbein. Seeing no one else wishing to speak on the issue, do you have closing, Senator Haberman?

SENATOR HABERMAN: Madam President, I ask that the A bill be advanced. It's not General Funds, it's not tax funds, it's the Cash Fund and with that I'll close and ask for the advancement of LB 254A.

PRESIDENT MOUL: Thank you, Senator Haberman. We will now vote on the motion to advance LB 254A. All those in favor please vote aye, opposed nay. Have you all voted? Senator Haberman.

SENATOR HABERMAN: Madam President, I'll ask for a call of the house. I'll take in call in votes also.

PRESIDENT MOUL: We've had a motion for a call of the house. All those in favor please vote aye, opposed nay. Please record, Mr. Clerk.

CLERK: 21 ayes, 0 nays to go under call.

PRESIDENT MOUL: The house is under call. All senators who have not been excused please return to the floor and check in. All unauthorized personnel must leave the floor and we will accept call in votes. Looking for Senators Lynch, Morrissey. Senator Nelson, would you check in. Senator Smith and Hefner, would you check in. Senator Will. Senator Beutler and Senator Coordsen. We are authorizing call in votes.
